AVAILABILITY
From a total of 44 semi-detached villas 100% is sold. But there is still choice. In below overview you can see which apartments are available for sale. We have 3 bedroom type of apartments, all in modern design. There are still great apartments available. One of them has amazing sea views and others have extra large terraces or an amazing ground floor garden. There is a choice for everyone!

One groundfloor apartment LEFT!
One 1ste floor apartment LEFT!

The semi-detached villas with private pool consist of;
Entrance leading into the open lounge and kitchen with to one side a TV-room which can also be used as bedroom.
To the other side is a small hallway with an office (or bedroom) and opposite a bathroom with walk-in shower. At the end of the hallway is the master-bedroom with built-in wardrobes and en-suite bathroom with walk-in shower.

From all the rooms you have direct access to the exterior through large glass sliding doors which bring a lot of natural light into the property and this also makes that from the inside you can still enjoy the lovely views.

All these villas are including air-conditioning and fully equipped kitchen.

All apartments have a fully fitted kitchen, well designed bathrooms, private terraces, and access to prime amenities. Some of them has amazing sea views and others have extra large terraces or an amazing ground floor garden.

ABOUT THE RESORT
Extraordinary land area with amazing views and the lowest construction density in this region. Limited number of units in a private touristic condominium. Outstanding location between picturesque village, golf courses and beaches. This exclusive nature resort with 44 semi detached villas with private pools and gardens; and 32 apartments with a common swimming pool and beautiful gardens. A small scale development on a 30 hectares (74 acres) land area, an outstanding location with a unspoiled views. All villas and apartments have a contemporary design and construction, being the perfect choice for holidays, second home or investment.
